

Crowdcade™

PLASTICADE®

Perfect solution for delineating outdoor seating areas

Available in White, Orange,
and Custom Colors

6' durable plastic barricade with strong plastic legs and rubber feet

- Sturdy, and durable - thick, double wall panel
- Feet won't break off from panel
 - stable, recycled rubber feet, securely attached to panel
- Easy stacking, no tangling of feet
 - feet rotate flat for stacking
 - molded-in lugs keep units from sliding when stacked
- Tamper resistant linking bracket
 - prevent in-line barricades from being pulled apart
- Linking bracket accommodates various configurations
 - units pivot on bracket and adjust to uneven ground
- Holes for bolting on signs (one side)
- Panels on both sides for retroreflective sheeting
- Available in orange and white
 - custom colors with minimum order quantity
- Made in the U.S.A.
