

# Color and Design Choices

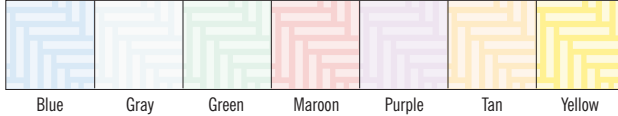

Accounts Payable, Payroll, Multipurpose Checks

## Computer Checks

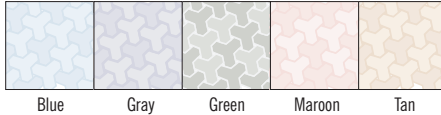

Most of our laser checks are available in our Herringbone design, in your choice of seven great colors: Blue, Gray, Green, Maroon, Purple, Tan or Yellow. Herringbone checks feature shaded vouchers. Most laser checks are also available in our Premier designs at an additional cost (see below). High Security Checks are available in Blue, Gray, Green, Maroon or Tan. Continuous checks are available in Blue, Green and Tan Herringbone colors only.

### Herringbone

### High Security Checks†

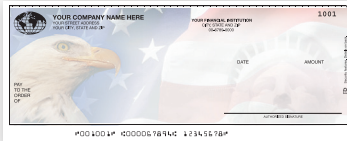

†Top and middle High Security checks are available in Blue, Gray, Green, Maroon or Tan. Bottom and 3-On-A-Page High Security checks are available in Blue only.

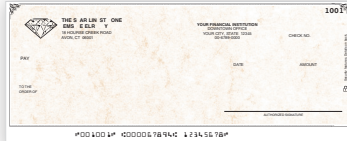

## Premier Designs

Most laser checks can be ordered in the six styles shown below. Not all Premier designs are available on all checks.

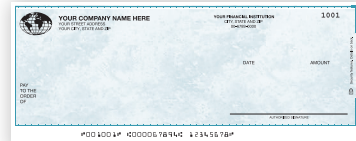

### American Spirit

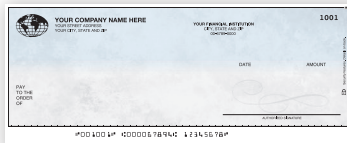

### Antique†

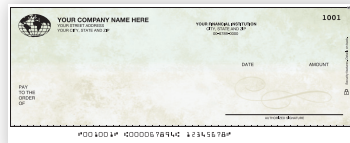

### Monterey†

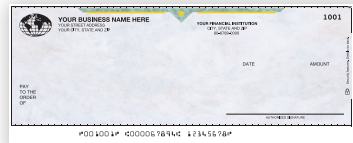

### Blue Marble\*

### Green Marble\*

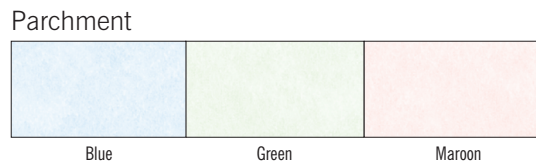

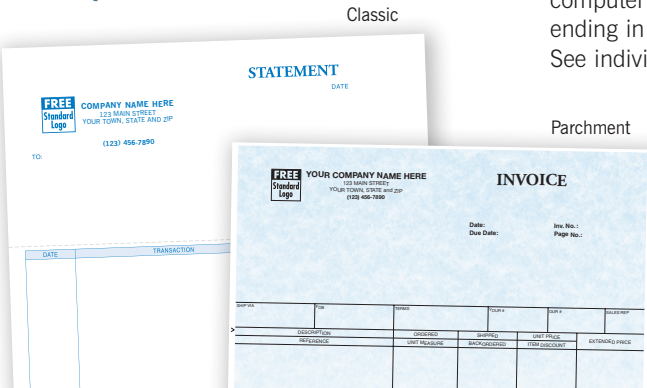

### Gentry\*

\*Available as top checks only.  
†Available as top and middle checks only. There is an additional charge for Premier designs. Add \$15.00 for quantities to 1000 — plus \$15.00 per additional 1000.

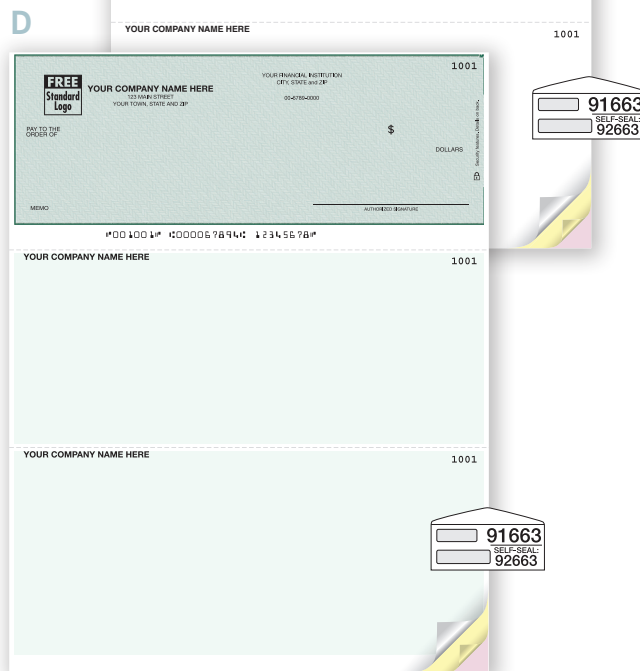

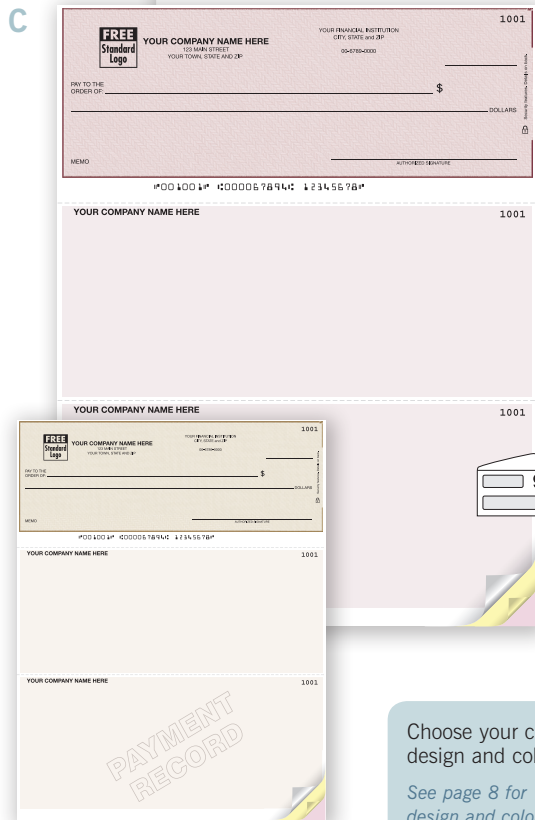

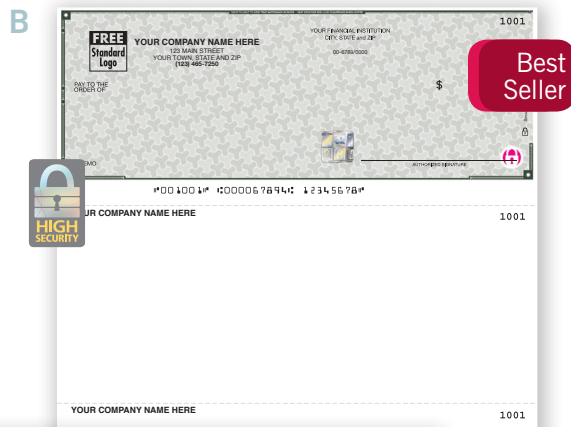

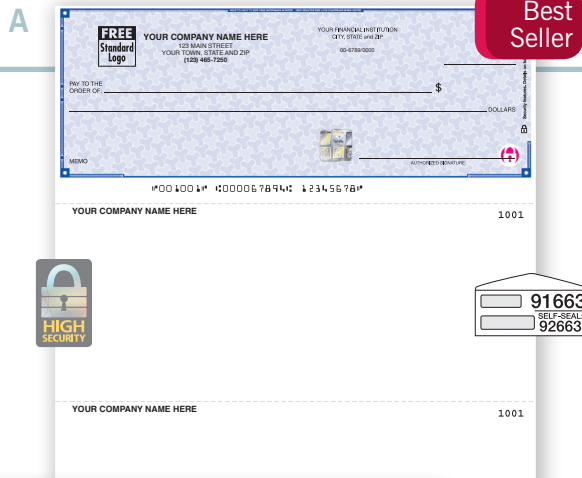

## Computer Forms

In addition to the traditional Classic style, most laser and continuous computer forms are available in our Parchment design (product numbers ending in “G”). Choose from three great colors: Blue, Green or Maroon. See individual product descriptions for availability.

Multipurpose Voucher Checks

### Convenience and Simplicity

Our blank check stock is made to the same standards as the base stock used by most bank-recommended check printers.

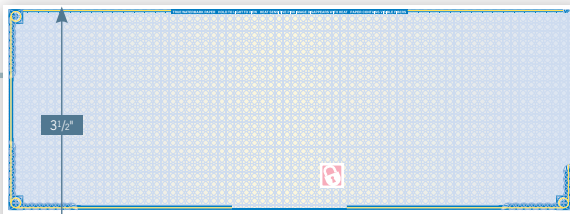

- **Convenient:** Use the same check stock for several accounts
- **Time-Saving:** Eliminates the need to change the supply in the printer tray
- **Space-Saving:** Only one inventory of checks to manage
- **Secure:** Account numbers and other confidential financial institution information aren't added until you print the check
- **Economical:** Blank check stock costs less and eliminates wasted checks when account numbers change

**Blank Laser Checks ARE NOT Imprinted.**  
Blank laser check stock should only be used with software and MICR cartridges which contain magnetic toner. These are required in order to print the entire check, including the MICR numbers.

Linen check color choices for page 40.

**Top Check  
SLT831**

**SIZE:** 8 1/2" x 11"  
**PARTS:** 1, 2 OR 3 SINGLE SHEETS (DLT831)  
1 SINGLE SHEET (SLT831)

Single check is located at top of sheet with two perforated stubs below. 1-part available in your choice of blue (shown), green or maroon.

Also available, but not shown:

**DLT831**

Same format as SLT831 with standard security features  
Available in blue, green, tan, gray, maroon and violet.

**Bottom Check  
DLB833**

**SIZE:** 8 1/2" x 11"  
**PARTS:** 1, 2 OR 3 SINGLE SHEETS (DLB833)  
1 SINGLE SHEET (SLB833)

Features one check located at bottom of sheet with two perforated stubs above. 1-part available in your choice of linen violet (shown), blue, tan, green, maroon or gray. 2-part available in linen blue, green or maroon. 3-part available in linen blue or green.

Also available, but not shown:

**SLB833**

Same format as DLB833 with high-security features  
Available in your choice of maroon, green or blue.

**Security Blank Laser Checks**

These affordable security checks help you manage all your accounts with one stock. The prismatic, circle-background design with screened stub is available in your choice of blue, green or maroon. Checks come in packages of 500.

**Middle Check**

**DLM832**

**SIZE:** 8 1/2" x 11"  
**PARTS:** 1, 2 OR 3 SINGLE SHEETS (DLM832)  
1 SINGLE SHEET (SLM832)

Features one check located in the center of sheet with perforated stubs above and below. 1-part available in your choice of linen gray (shown), blue, green, maroon, tan or violet. 2-part available in linen blue, green or maroon. 3-part available in linen blue or green.

Also available, but not shown:

**SLM832**

Same format as DLM832 with high-security features.  
Available in your choice of blue, green or maroon.

**Don't Forget Envelopes!**  
Designed specifically for your checks.

742-1  
SELF-SEAL  
712-1

742-1 and 712-1 are compatible with all checks on this page.

**High Security Features**

- **Unique, multicolored prismatic background pattern** discourages copying and cut-and-paste alterations.
- **Thermochromic ink** reacts to heat to detect and deter copying.
- **High-resolution border** with intricate engravings does not reproduce well on copiers.

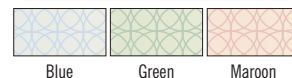

Other advanced security features include: Chemical Detection Wash Area on back of check, Visible Embedded Fibers, Padlock Icon, UV Dull Paper and a True Watermark. Built-in security features include: Chemically Sensitive Paper, Microprint Border, Invisible Fluorescent Fibers, Erasure Protection, Security Screen and a Warning Box.
